Skyline Corral Inc. was founded in 1960 by a group of horsemen who wanted a venue to show their horses, spend time with their families, and teach their children good sportsmanship, horsemanship, and other life lessons.

Today, with approximately 200 members from the Southern tier of NY and NE PA, the club attracts people from many different walks of life, who all share the passion for horses and the thrill of competition. It also gives children from toddlers through their teenage years the opportunity to learn good sportsmanship, horsemanship, compassion, a work ethic, and a good sense of community.

Skyline Corral, Inc. will host many shows, clinics, and educational events annually. Our staff is all volunteers and we rely on fundraising to pay for our judges, ribbons, arena maintenance, and awards. Our members appreciate the support we receive from our sponsors and advertisers and in turn, our members support our sponsors.

Skyline Corral, Inc. is friendly, dynamic, and growing. We believe your business would benefit from becoming involved as a club sponsor. It's a Win/Win situation. It's economical, it allows you to introduce your business to a new market and it has a far reach across our entire region.

Prefer to sponsor something specific to draw more attention to your business? We'd love to curate something specific for you.
